Foreword

Foreword

The Bee has long been recognized as the symbol of industry, cooperative effort, and unity and as such, has fitted our Alma Mater well. We feel that at no other school do the students have greater or more varied opportunities to participate in school activities than we have under the flag of the "Bee."

It is with an attitude of sincere appreciation for all that Box Elder has offered us that we publish this year book.

Administration

Dear Margaret
You are a swell girl and I like
you alot. I wish you all the success
and happiness in the world for you
deserve it.
A Friend Jeanne Tilson.

Dear Margaret.
Remember all of the fun we have had
together. Remember the night we came
home with Jo Vern & Edwin and the night
we went with Bob and Wilber. We did
have fun and no harm done so I
guess we will have to go someplace
again and all if we can have
some fun.
Well I hope you have fun in
school next year. I don't think I
will be here but then maybe I will.
If I'm not be sure and not forget
me anyway and
come and see
me sometime.
Here's wishing you

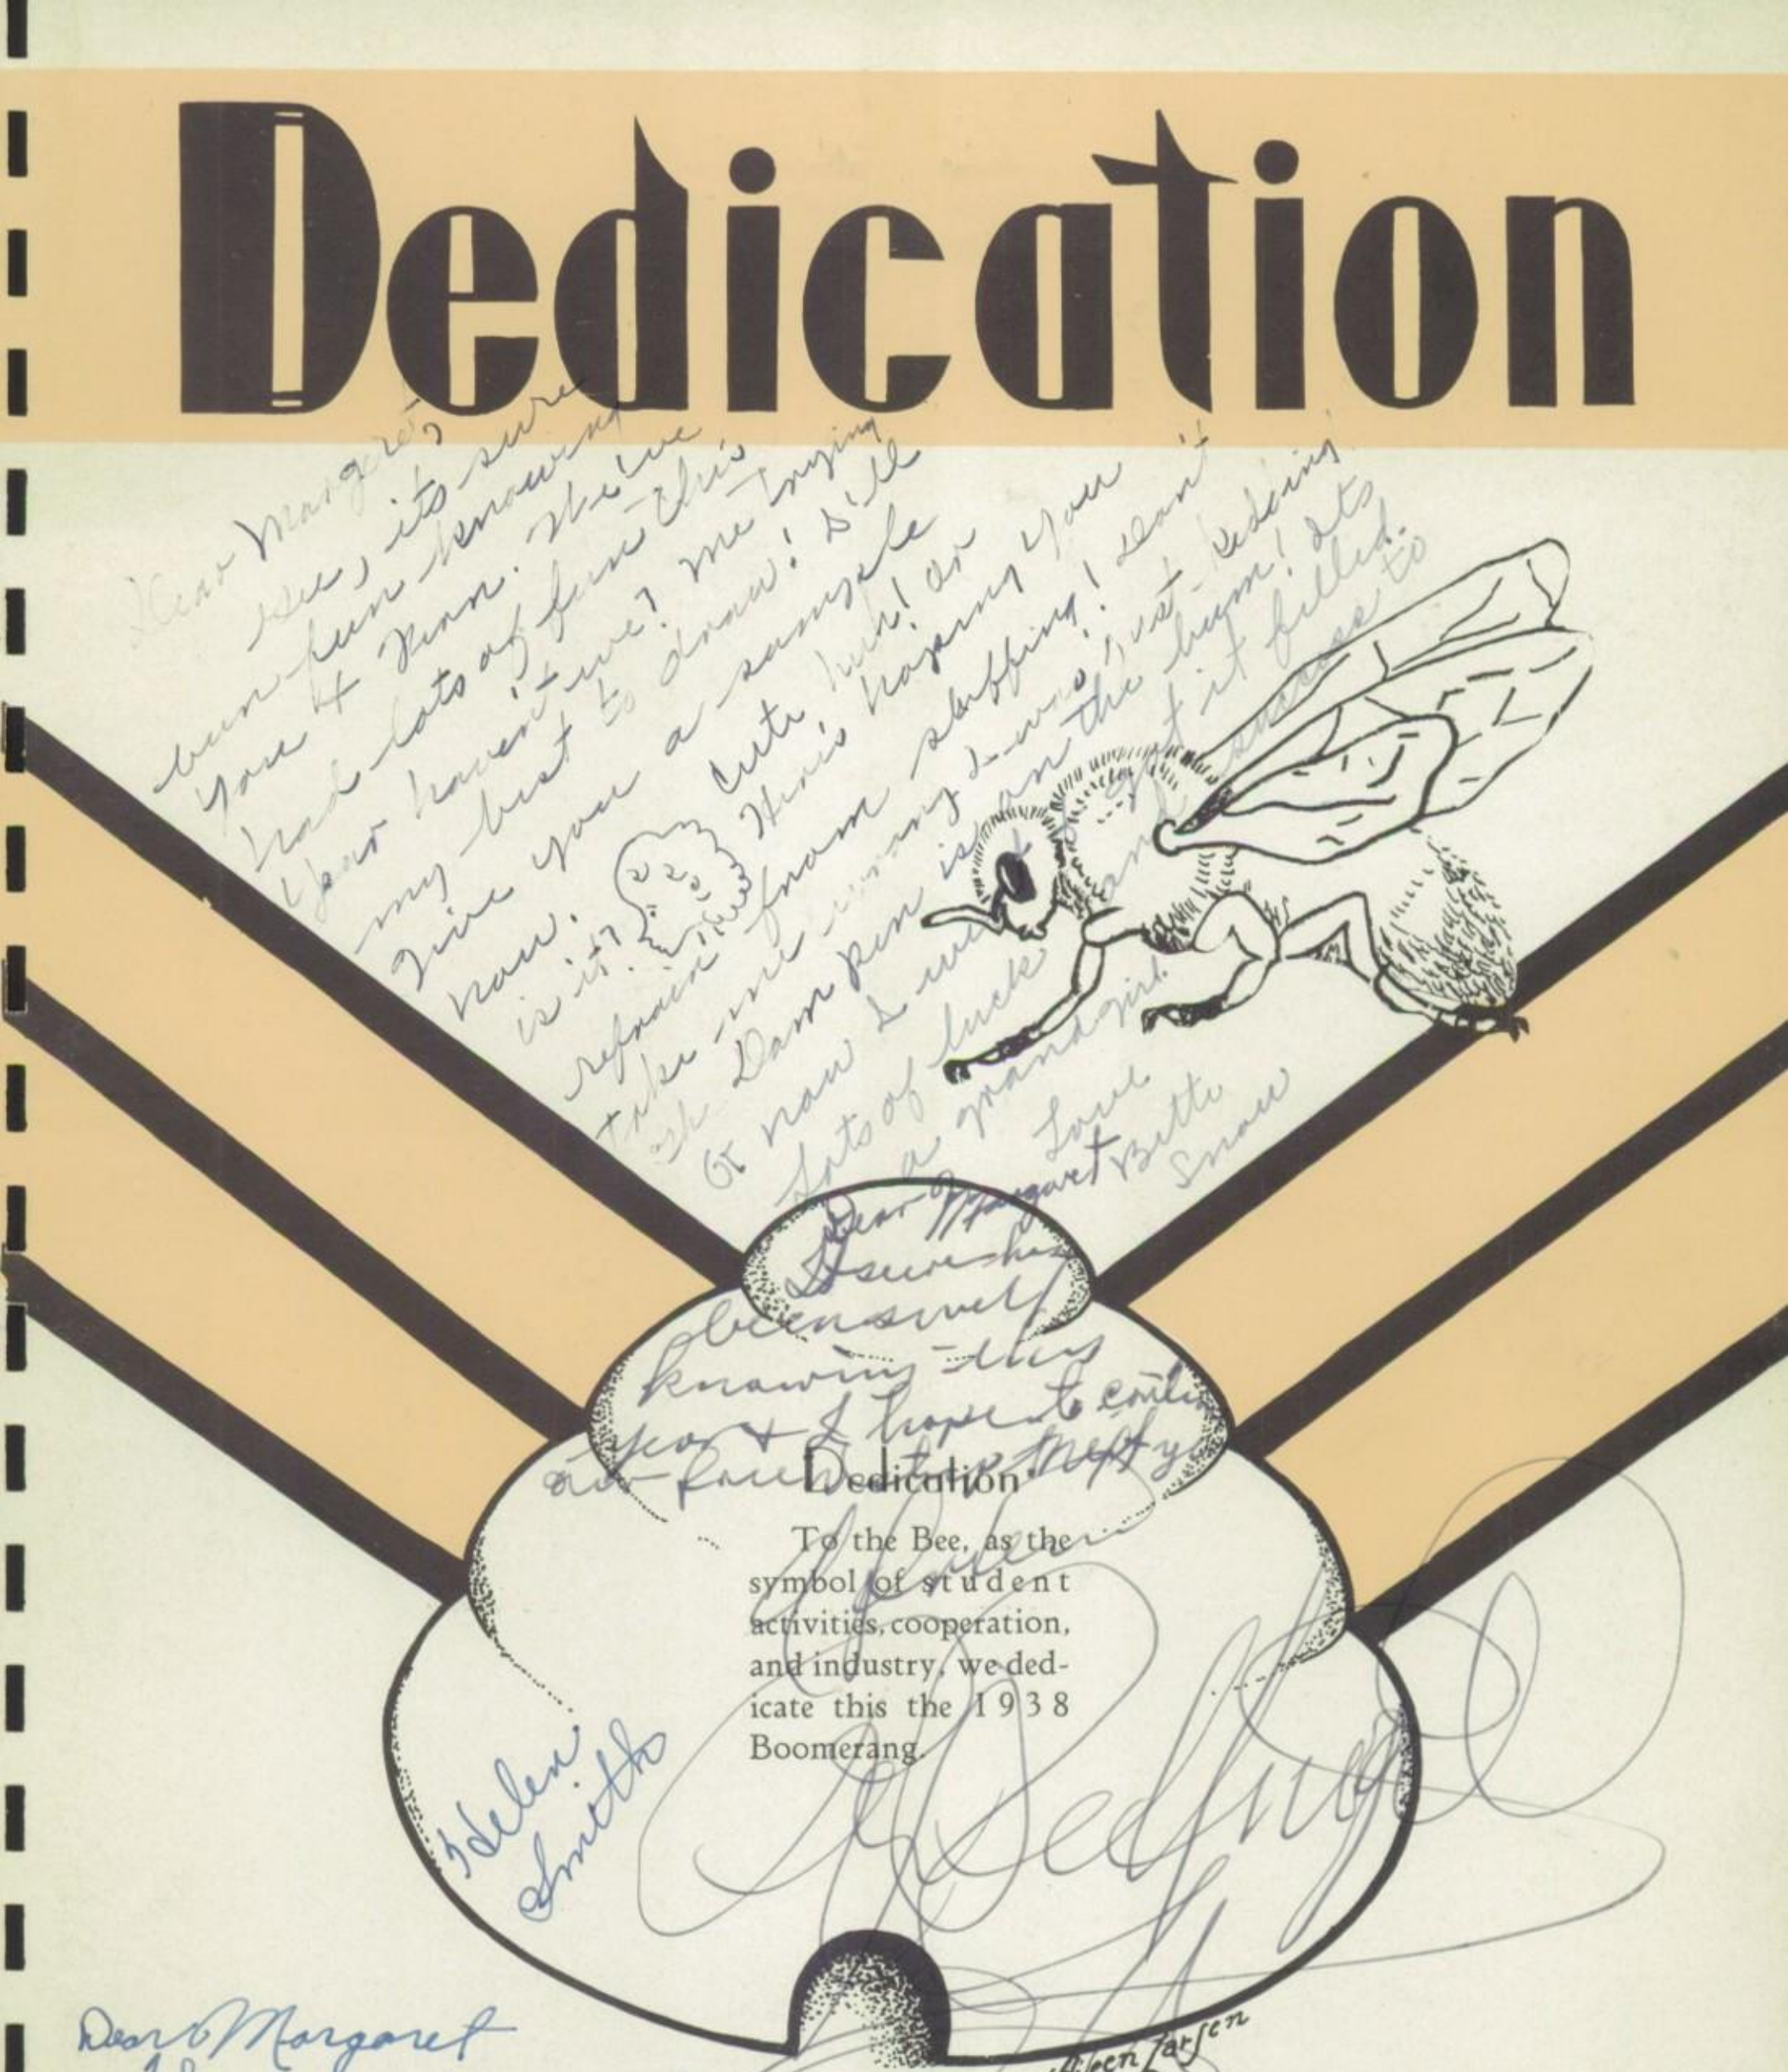
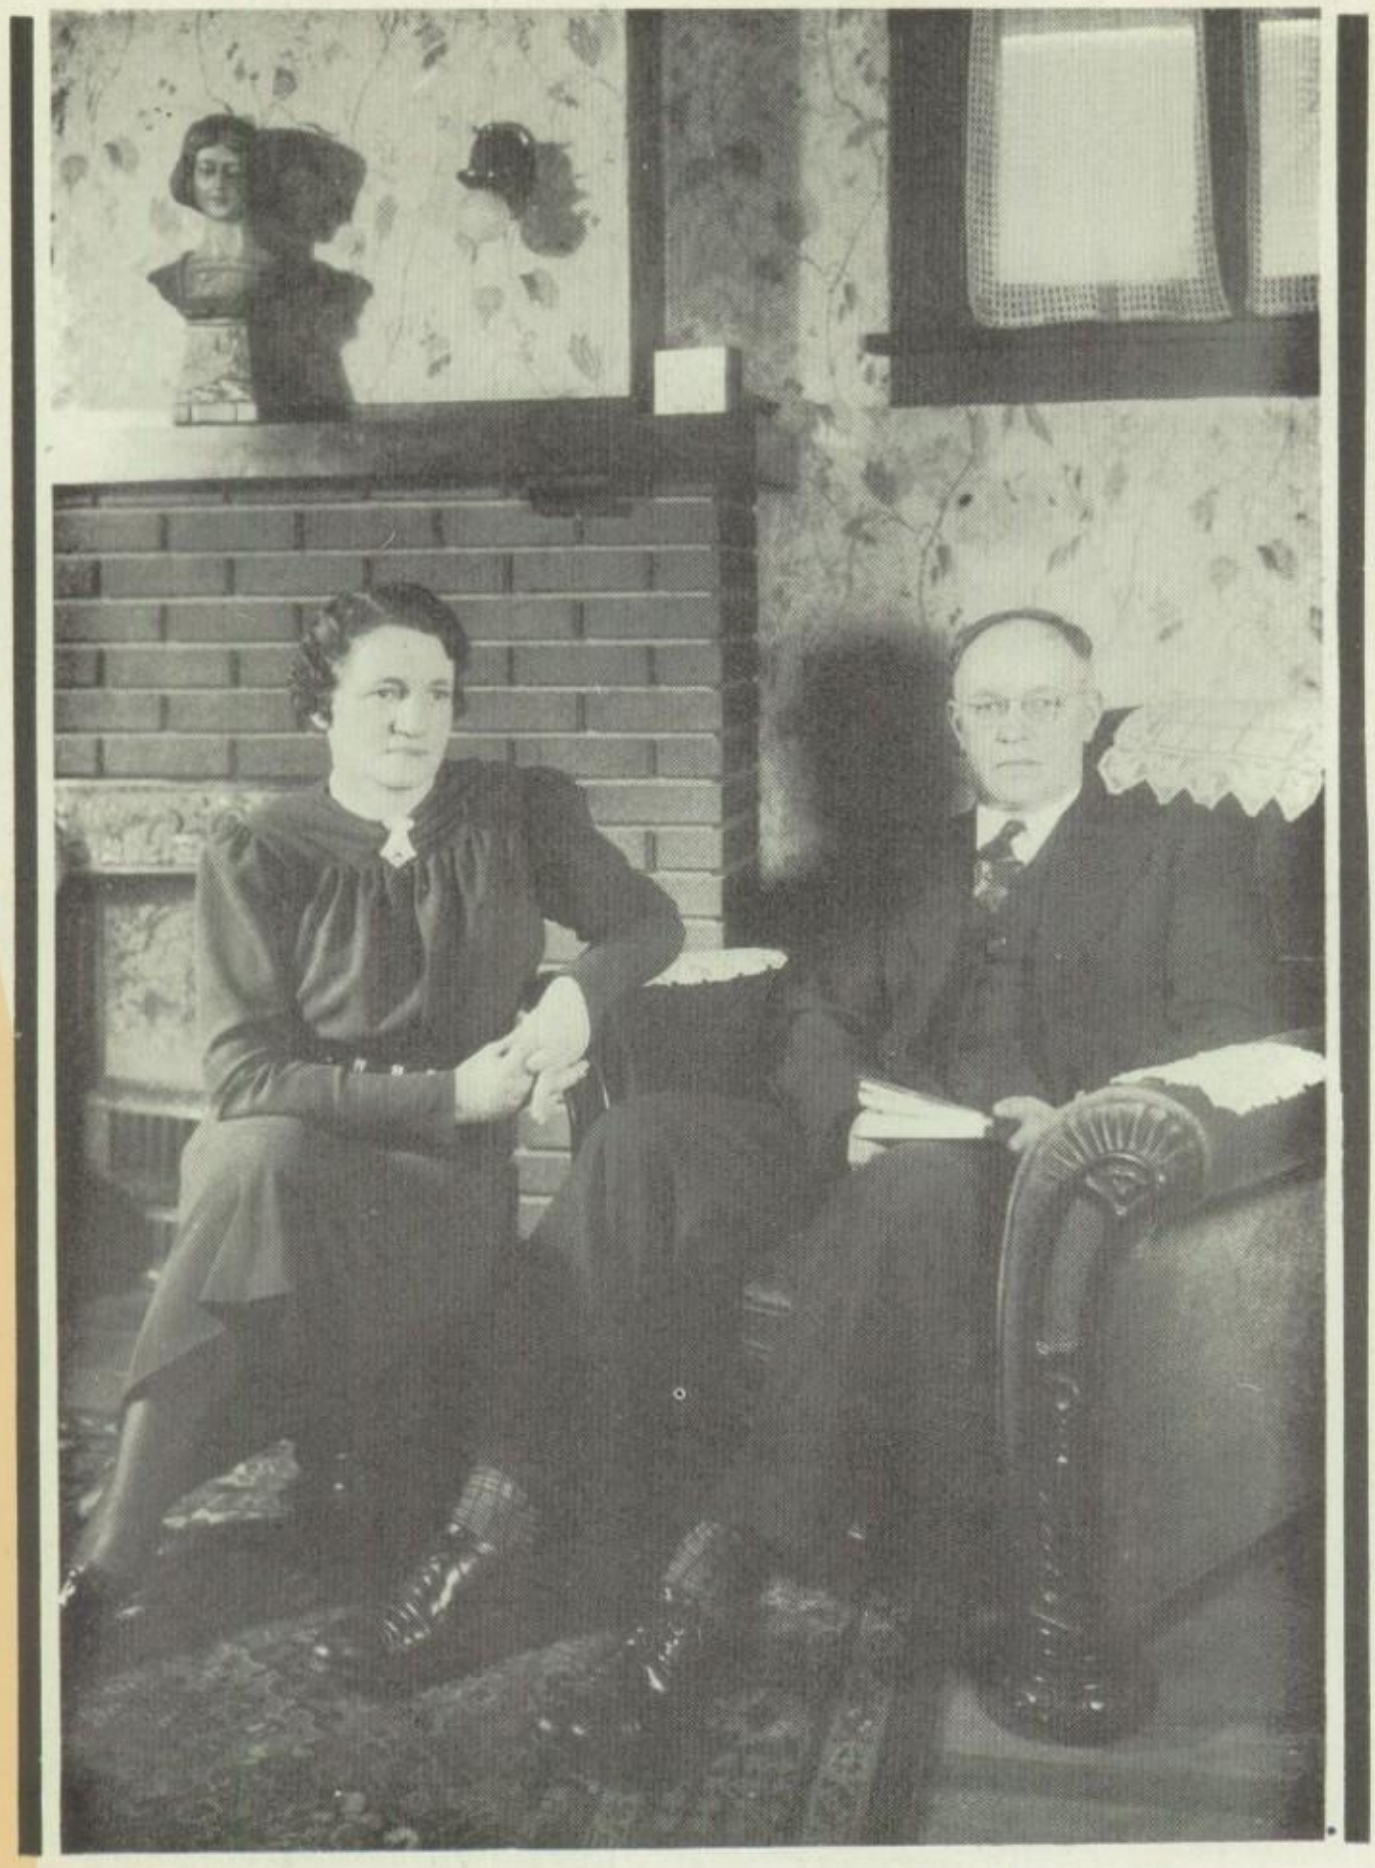
Dedication



Dedication

To the Bee, as the symbol of student activities, cooperation, and industry, we dedicate this the 1938 Boomerang.

Superintendent of Schools



SUPERINTENDENT AND MRS. HERVIN BUNDERSON

Surely this has been one of the most successful years in the history of the Box Elder High School. Students, you are to be congratulated on your attitudes, your ideals and your accomplishments.

First row: H. JENSEN, A. P. DALTON, J. W. PETERS, *President*.
Second row: E. ZUNDEL, B. CUTLER, J. P. HOLMGREN, H. BUNDERSON, *Superintendent*

Board of Education

The School Board is made up of a group of men, elected by the people, to handle the finances and generally supervise the activities of the school district for the people.

The present Board, under the leadership of President John W. Peters, has been very successful in improving the general conditions of the district.

The completion of our new gymnasium and the building of a new science building with its modern cafeteria and domestic science and art department will give us a plant which offers educational facilities not surpassed anywhere.

Our new, modern transportation system is the model for Utah, and as nearly as is possible, gives all of the students an equal opportunity to take advantage of modern educational facilities.

Our teaching staff has been built up and the conditions of teaching improved so that we can hold desirable teachers and make them feel satisfied and anxious to do their most efficient work.

Probably the best evidence that the School Board is handling the affairs of the district in a satisfactory manner is the fact that the patrons of the district seem to be in a happy, satisfied frame of mind. They are glad to come to school functions and seem willing to co-operate in all of the undertakings of the school. So far as can be seen there is no feeling of dissatisfaction and all of the people are satisfied with the condition of our school system.

E. ZUNDEL, H. JENSEN, B. CUTLER, A. P. DALTON, H. BUNDERSON, J. P. HOLMGREN
J. W. PETERS.

Principal

PRINCIPAL AND MRS. F. A. HINCKLEY

"B" to the loyal Box Elderites stands for the "Spirit of Box Elder." This attitude of loyalty and service and love has been built up over a quarter of a century by the more than two thousand graduates, and the others who have loved and served.

Every student who has rendered service by active participation in school plays, operas, assemblies, athletics, debates, speaking contests, bands, glee clubs, junior promenades, school publications, or in other ways served, has made his contribution. Student body, class and club officers, and students working on committees have made special contributions. The students who have stood by and boosted for Box Elder have contributed to her wonderful spirit. Those who have given honest and faithful effort to build high standards of scholarship are among her most valiant builders.

"Love is the fulfilling of the law." If you love Box Elder, you will be jealous of her good name; you will defend her against unjust criticism; you will avoid doing things that will tarnish her reputation; you will be anxious about her; and will try to serve and build her by your own thoughts and actions.

To you, the present generation of Box Elderites, we pass on this wonderful love—this spirit of Box Elder—to keep and to build and to pass on to the next generation finer and more glorious than it was when you received it.

The Senior Class

We, the graduating class of '38 are now leaving Box Elder to go our different ways over the world. We are all happy to say that we have, as we believe, accomplished all we possibly can in high school and are ready for a more advanced schooling.

Our class entered Box Elder as the smallest one in years, but we were determined to accomplish all possible, so we might look back and feel that our time here was enjoyed and well spent. We feel that no other school could have made us any better prepared for the future, and we sincerely appreciate the opportunities that our school offers in the many branches of learning.

Though we regret leaving Box Elder we shall always be thankful for the fine training, and the many friends we acquired. We believe that these things will help much in later life to better our success.

The advisers that helped us along and so willingly gave their time to our cause, we wish to thank. "Pop" Lemon especially who has been with us all four years, and "Mom" Jensen who has accompanied "Pop" as our class Mother.

We wish the future Senior classes success and enjoyment at Box Elder High School, the best school in Utah.

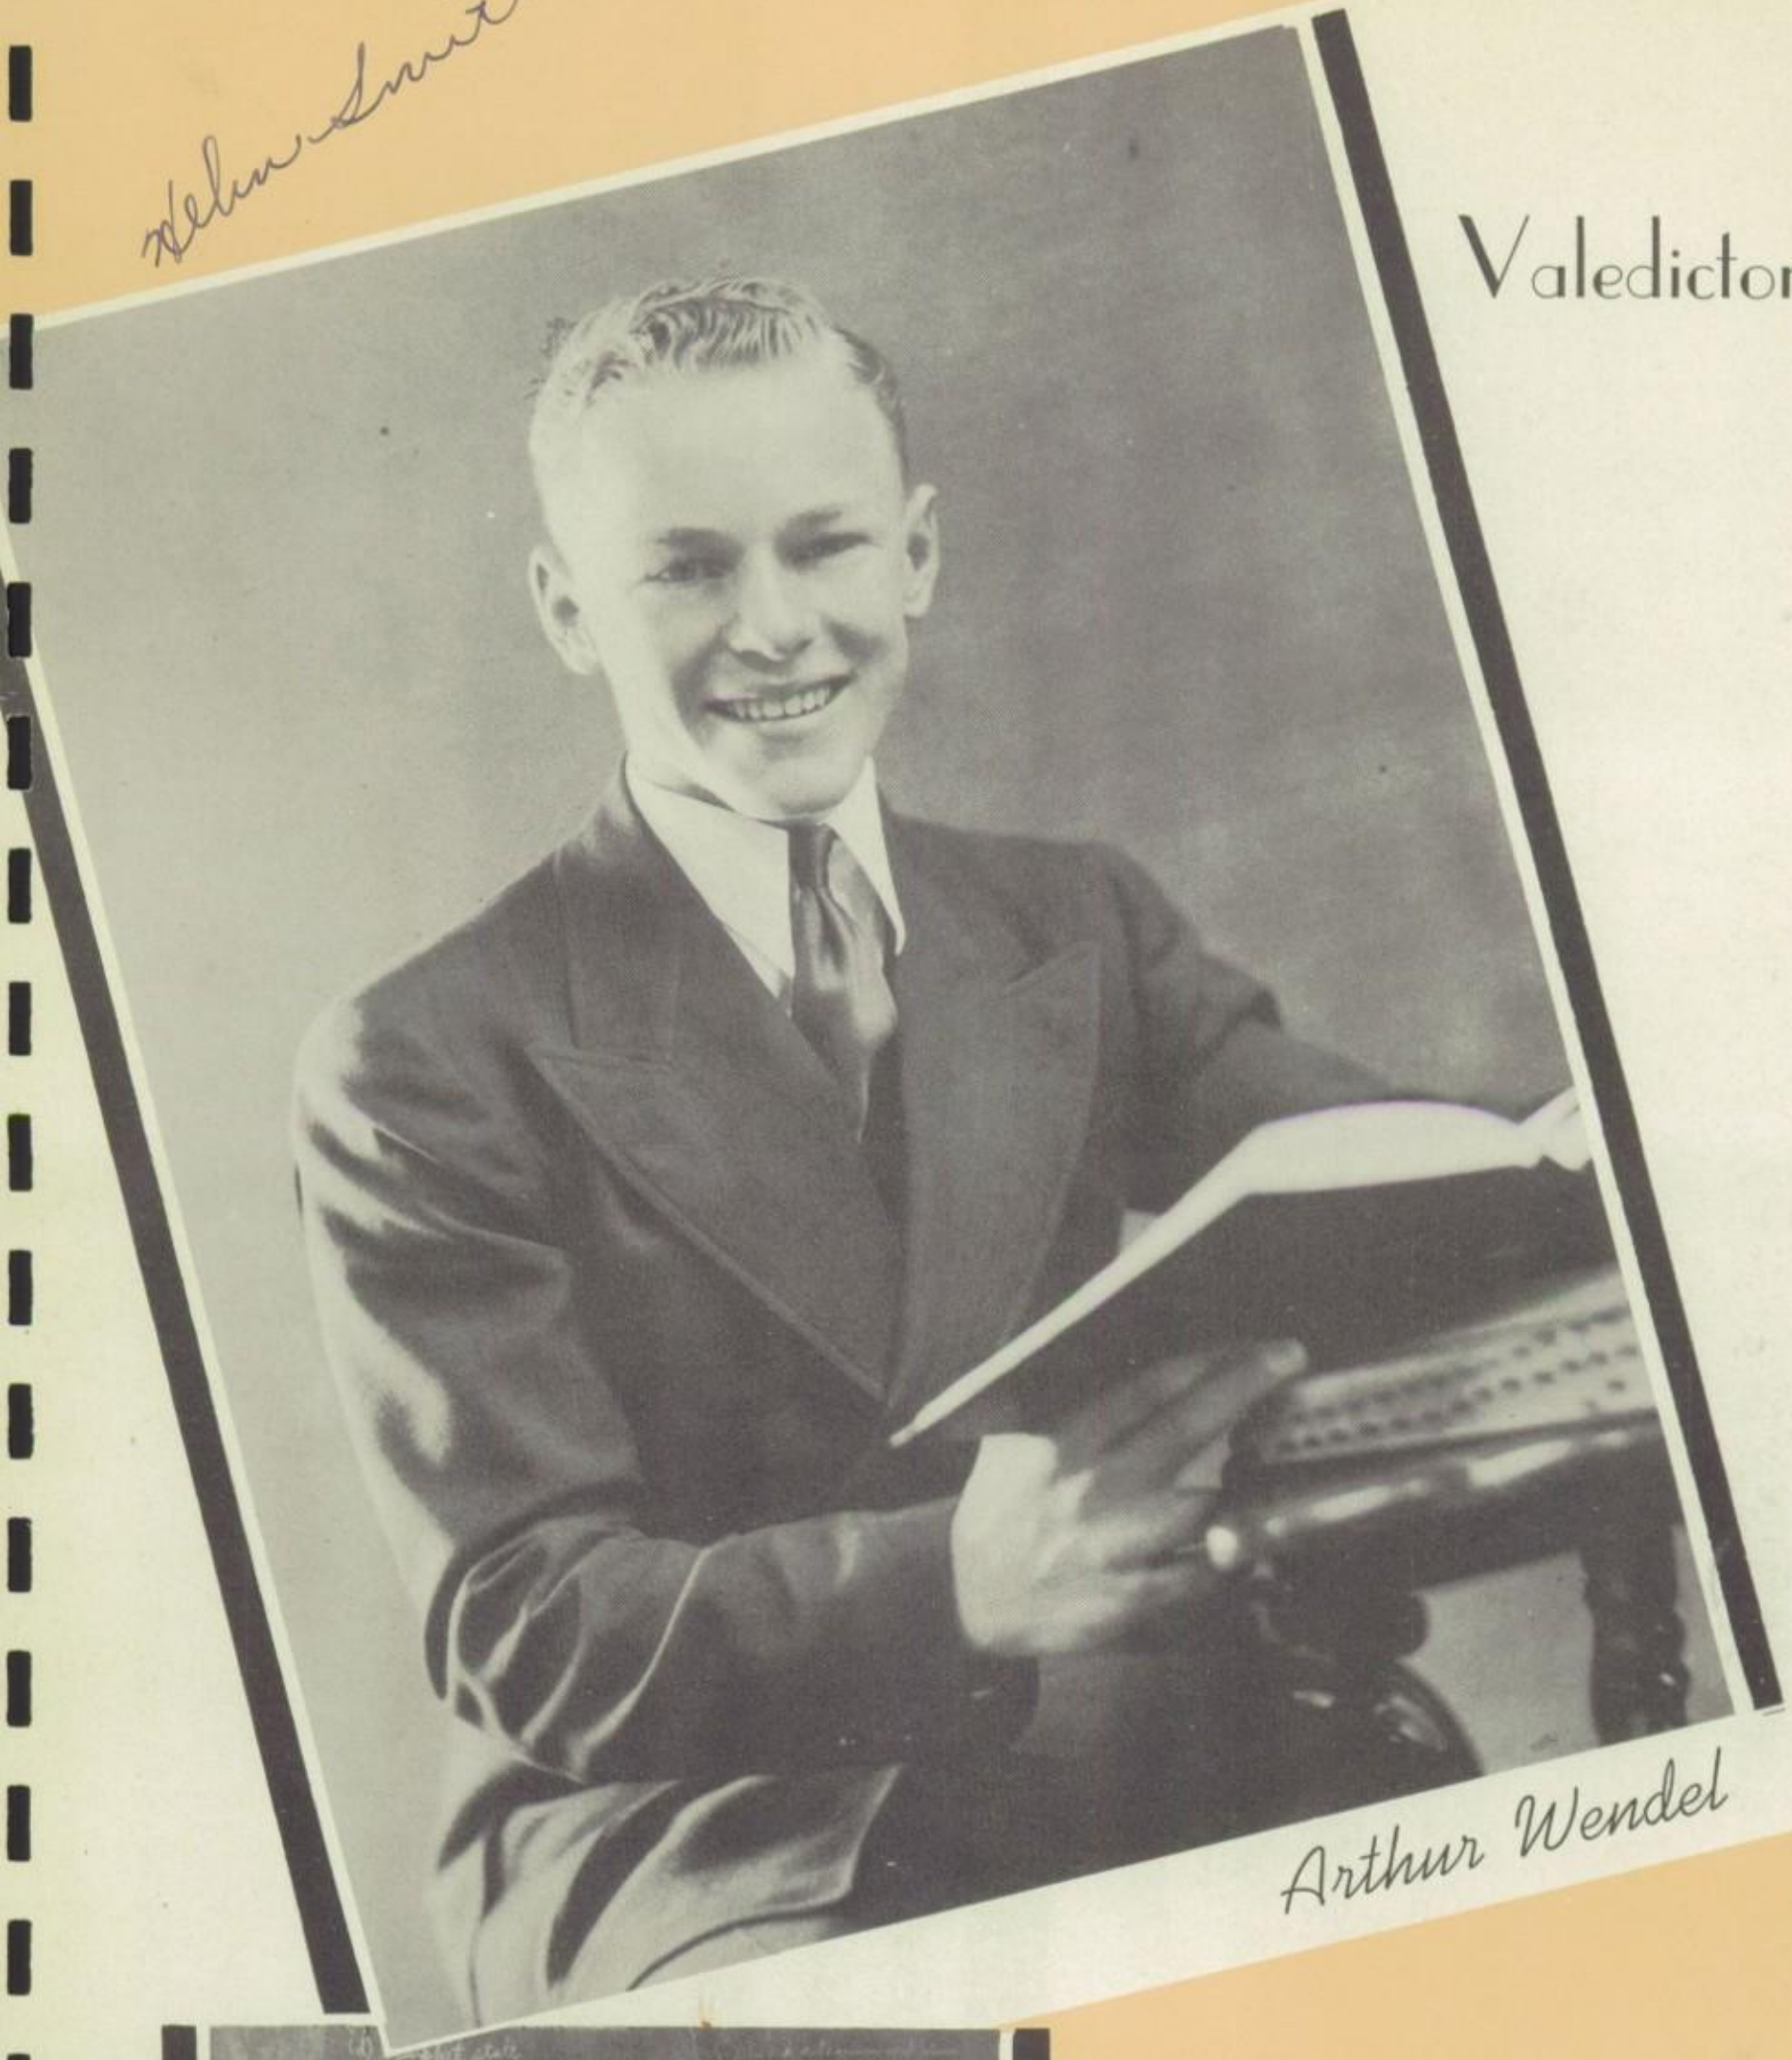
Valedictorian



Arthur Wendel

F. JOSEPH LAW, *Chairman Scholarship Committee*

ARTHUR WENDELL is the valedictorian for the class of 1938. This high honor is awarded solely on scholastic attainment. Mr. Wendel has an excellent scholarship record —eighteen and one-fourth units of "A" work.

In addition to being Box Elder's best scholar, Arthur has also made a name for himself in our extra-curricular activities.

Congratulations, Arthur. We are proud of you.

SCHOLARSHIP COMMITTEE

Last Will & Testament

"Being normal mentally, and physically fit, we, the undersigned now leave our most dear possessions to the stalwart Juniors, hoping they will be of some use to them."

I, Dean Bunderson, leave my speaking ability to the next year's Student Body President.

I, Ilene Carlson, leave to join the other half that went before—Boyd J.

I, Quentin Nelson, leave, but not without Beryle.

I, Cleo Jensen, am taking my dancing ability with me, to run Eleanor Powell competition.

I, Frank Moyes, leave to capture one blonde menace. Who said Vaudys F.?

I, Katherine Hodges, leave for Germany to help (J. Y. M.) Hitler.

I, Lee Anderson, leave to seek employment at the State Security Bank, where I won't be De-Lone.

I, Merle Sackett, leave for the Southern Branch of Idaho to become assistant Drum Major.

I, Wayne Burt, leave for South America where there are more women than men. (To build bridges!)

I, Lorna Gardner, leave to put my home economics learning into practice.

I, Bill Holmes, am leaving to help Benny Goodman succeed.

I, Betty Mae Nelson, leave to become Joan Davis' double.

We, Loraine and Adele leave our ability to get along together to whom ever may need it.

I, Francis Doane, leave to get my man—Tyrone Power.

I, Richard Harris, leave with many others.

I, Ralph Welling, leave too, I hope.

I, Paul Peters, leave to give Paderwiski a few pointers along with his music lesson.

I, Noel Johnson, leave at last.

I, Harold Secrist, leave to do more etching instead of itching and sketching instead of scratching.

The Junior Class

The Class of '39, after finishing a very successful year, feel they are prepared for the school year to follow. They have been active in all school and class activities; probably the most important of these activities being the Junior Prom. The decorative scheme was a "Winter Wonderland" which was very successful. The Junior Class hopes to be more successful next year when they take their places as the "Big Brother and Big Sister" of the school.

The Sophomore Class

We, the class of '40, are now pausing briefly at the halfway mark. We think we have an outstanding class and we feel that we have had a very successful year. The Sophomore students have been unusually loyal in supporting the class officers. We point with pride to three or four big things during our Sophomore year. We believe that our B on the hill, the Christmas Dance decorations, our two class parties, and our record in the class basketball series are all outstanding achievements. We turn now to another year with the sincere hope that it will find us possessing loftier ambitions and making greater accomplishments.

Activities

Dear Mrs. Smucker,
Please forgive me for not getting your name and address sooner. I've had a lot of fun this year. I'm glad we had gym together, and I may see you next year. Life is full of ups and downs, but I'm sure you will have a good time with them.
Yours truly,
Naomi Rae

F. F. A. Club

The Box Elder chapter of the Future Farmers of America is proud of the state-wide and nation-wide reputation it enjoys. Besides being one of the largest in the nation, this club is one of the most active. During the past year the club has participated in two major judging contests and all the teams of these two contests are to be congratulated on their very fine showing.

The annual peach day exhibit was a credit to the Club and to Brigham City.

Space will not permit a description of the many club achievements and activities but a list of a few of the more important is given herewith:

PEACH DAY EXHIBIT
COUNTY AND STATE FAIR EXHIBITS
JUDGING CONTESTS
COOPERATIVE BUYING OF SEEDS AND LIVESTOCK
PUT ON RADIO PROGRAMS
SENT SIX F. F. A. BAND MEMBERS TO KANSAS CITY
HARVEST BALL
AG HOME EC. PARTY
SUGAR BEET CONTEST
PORK PRODUCTION CONTEST
OGDEN LIVESTOCK SHOW
PUBLIC SPEAKING CONTEST

PARENT AND SONS SOCIAL

In addition to the above, a full program of summer activity is planned.

The club is living up to its motto—

Learning to do, Doing to learn, Earning to live, Living to serve.

F. F. A. Harvest Ball

Cleopatra may have been a queen, but the thrills she had during her reign were insignificant compared to the thrill of being a queen at the annual F. F. A. Harvest Ball.

Frances Doane won this coveted honor, in keenest competition in years. Her attendants were Mildred Glenn, Janice Anderson, Betty Jones, Winifred Hansen, Mary Allen, and Karma Kofoed.

The ball was held in the gymnasium. It was a formal dance and all enjoyed themselves and were greatly satisfied with our queen.

RICHARD HARRIS
Drum Major and Band President

Drum Major

Every band-man has the secret ambition of becoming the "Drum Major"— to lead the band when on parade— to wear the gorgeous uniform and to show that he can assume the responsibility attending the position.

Of the Drum Majors at Box Elder in the last five years all have been Seniors, all have won "B" pins, three have been Band Presidents, as in the case this year, and three have gone on to become College Drum Majors.

We are all proud of "Dick" for his clean, sterling qualities and leadership and predict a successful future for him.

Band Officers

If you know these students, you can just imagine how many things they can do to keep the Band machinery clicking.

To be a successful officer of any organization, is to assume added responsibility and our officers always do it — with a smile—Do you see any "smiles in this picture?"

Richard Harris, *President;* Bill Holmes, *Reporter;* Leon Carver, *Quartermaster;* Beth White, *Vice-President;* Helen Thorne, Helen Wright, Lorna Gardner, Winnifred Hansen, and Helen Hillstrom, *Librarians;* Jean Dalton, *Secretary* (Absent).

Color Guard

Left to Right: Richard Harris, *Drum Major;* Norma Facer, Beth Christensen, Donna Bott, Marie Bunderson.

These girls win their respective places on the "Color Guard" largely through their ability to march with a steady rhythm and a graceful carriage. To look at them you probably think they are winners of some "beauty" contest, but we think they are an average of our fine Box Elder girls.

Of course, when you stop to think of the many places these girls "head" the parade, it's no wonder that all the young fellows in Utah come here in the fall to look for "Peaches."

Solo Team

Front row: George Cook, Keith Young, Kelley Bryan, Dwight Freeman, Grant Anderson, LeJune Forsgren, Carma Anderson, Betty Ann Hansen, Gneil Anderson. *Second row:* Donna Tingey, Don Bowen, A. C. Cook, Ted Burt, Wayne Anderson, Jack Davis, Leo Nelson, Richard Harris. *Third row:* Grant Welling, Noel Johnson, David Peters, LeGrande Colby (Absent).

To prepare solos, is to get just that much more out of your music. These are the people who can be depended upon as section leaders and to go on in college.

Last year Box Elder's Band Seniors were awarded over three hundred dollars in college scholarships.

Here's to the soloists; we don't know what we would do without you in our school and church programs.

One of these fine soloists will win the annual "Caseman Medal" and all who reach the highest rating in the Region Contest will receive the also prized "B" pin.

A. B. CASEMAN, *Director*

Last year we rated highly superior in both "Sight-Reading" and "Marching" at Price. Although we will be playing this year, without thirty-eight of last year's graduates, we know we have a good band and will be fighting for dear old Box Elder.

We have had a real successful year having played at all football and basketball games, at our gym, and have taken the usual fine trips with the Chamber of Commerce and the Peach Days Committee.

The really fine support we have had from the School Board and our community makes us proud to be in Box Elder's Band; and we hope we can continue to merit the compliments that come to us.
